MESSAGE FROM THE EAST

Dear Sisters and Brothers,

So far, Wayne and I are having a great time this year. We are having lots of fun being your Worthy Matron and Worthy Patron. We have our own little radio station, WR71OES. We broadcast live at all of our meetings and a lot of other exciting places like "The North Pole", "Times Square", and even the "Super Bowl".

We are looking forward to a very busy next few months. Reception, Inspection, went to the "Christmas Story" house in December and had a movie day in February. We want this to be a fun filled exciting year for our Chapter. Some up coming events to look forward to: Canines for Classrooms, Humane Society, and Breast Cancer research awareness.

We will be welcoming Nottingham Chapter as they merge with us. We know how hard it is, but will try to make this transition as pleasant as possible. We want them to feel at home with Western Reserve Chapter. Ronald Reagan said, "The very key to our success has been our ability to preserve our lasting values by making change work for us rather than against us." May the power of God be with us now and always.

Fraternally,
Gail and Wayne
