TO THOSE WHO HAVE LOST LOVED ONES

There is a heavenly garden in which God takes great pleasure
Because He's placed within it the loved ones that we treasure.
He walks among the blossoms giving them eternal rest,
And I know that it must please Him because He chose our very best.

TO OUR SICK & SHUT INS

His love will light the way as we travel through this life.
His love will guide our path through days filled with toil and strife.
As we struggle through the valleys where our fears shut out the light,
His love will light the way and will make our pathway bright.

TO OUR MEMBERS NEAR AND FAR

Hope this finds everyone enjoying Spring and the rebirth of our trees and flowers.

Here are some little thoughts to hopefully make you smile:

- The shortest distance between two points is probably "under construction."
- Seems like when we know the right answers no one asks the right questions.
- They say that money talks; about all it says to most of us is "goodbye."
- Ever wonder why Noah didn't swat those two mosquitoes when he had the chance.
- Most people find fault like there's a reward for it.
- You know you're getting old when happy hour is a nap.
- There is a difference between an open mind and a hole in the head.
- When a little bird tells you something, make sure the bird is not a cuckoo.
- It's a sign of age when you feel like the morning after the night before, and you haven't been anywhere.
- Ever notice that by the time people get to the phrase, "to make a long story short," it's too late.

A giggle a day keeps
the glums away

MESSAGE FROM THE EAST

Dear Sisters and Brothers,

A big thank you to all the officers and members that worked so hard to make our Inspection night a success. It takes many hands to make a chapter run smoothly and we appreciate all those who helped to make the night a wonderful page in our history.

Spring is here and we wish all our members a Happy Easter and a safe and restful summer. Please come and spend an evening with us. We would love to renew our friendships.

Fraternally,

Sharon and Charles
