TO OUR SICK & SHUT INS

Faith can move mountains, no matter how steep
And calm the rough waters, no matter how deep.
Faith can change darkness to heavenly light,
While leading us tranquilly out of the night.
All that I can grant with assurance, you see,
For countless are the mountains Faith has moved for me.

CHRISTMAS ANGELS

Reach for an angel high on a star; she sends you Christmas wherever you are,
Bringing you laughter and faith so supreme, touching your heart with a beautiful dream.
Peace and goodwill in each loving home, beauty and magic so surely your own.
Sweet Christmas angels – moments of love, part of the wonder God sends from above.
Santa and children - this wonderful day; hope for tomorrow in words that we pray
Tree reaching tall – such a beautiful sight, music we treasure is heard in the night.
Bless you, my dear ones, this so holy time; may God's richest blessings forever be thine.
Glad tidings I send you across every mile along with a faith to make each day worthwhile.
God's Christmas angels, precious and dear, for a MERRY CHRISTMAS lasting through a NEW YEAR.
